Dear Member,

April 20, 2011

This past March you were sent **PO Box 1046** dues.
Webster, NY 14580

We are soon going to be updating our contact information and link to your web site will only be published on the LOCBA web page if your dues are current.

We are late in getting this update to the web page completed. Due to that, if your 2011 dues are not received by May 10, 2011, you will be removed from membership and from the web site.

It is not fair to the majority of the members that have paid to have to wait for a few that have not.

Also, please make sure that your information is up to date so it will be listed correctly.

Thanks, and have a great season.
